Advice – Ministry of Health (MOH) Tourism Industry Aotearoa (TIA) Canterbury Employers Chamber of Commerce (CECC).	Direction – Managing Director and Hotel Manager to provide forward information to outlet managers and HOD’s. Advice – Ministry of Health (MOH) provide an alert and guidance on symptoms and additional controls to consider / prepare for / apply.	Direction – Managing Director and Hotel Manager to provide forward information to outlet managers and HOD’s. Ministry of Health (MOH) to provide guidance on restrictions.	Direction – Managing Director and Hotel Manager to provide forward information to outlet managers and HOD’s. Ministry of Health (MOH) to provide guidance on restrictions.
Education – All Staff - Annual staff education campaign relating to cold and flu season and importance of maintaining good hygiene and cleaning standards. Scheduled for March each year. To include memo which outlines the importance of good hygiene and to include the invitation to register for the annual flu vaccination.	Education and Communication – All Staff - Initial communications advising all team members of a pandemic event impacting human health somewhere in the world. Share information and guidance provided by MOH relating to signs and symptoms/precautionary actions to take. Share/enforce travel advice/information to staff travelling to or returning from affected countries. Reinforce proactive measures such as reinforcing good hygiene standards.	All Staff - Alert and Action – National/Local impact has occurred - communication providing clear direction to team members about the developing event and potential impact. Enforce travel restrictions for staff travelling to or returning from affected countries or regions. Reinforce measures such as hygiene standards, closure of restaurant, room service only to house guests.	All Staff - Alert and Action – National/Local impact has occurred - communication providing clear direction to team members about the event and immediate actions to be taken to prevent exposure / spread. Enforce travel restrictions for staff locally, domestically and internationally. Reinforce measures such as hygiene standards, closure of restaurant, room service only to house guests. Guest rooms cleaned on departure unless requested where a ‘housekeeping pack’ will be provided to self-service a room. Wherever possible, on departure, guest rooms to be rolled over for 3 days (72 hours) then disinfected/cleaned.

<p>Staff and Contractors –</p> <p>Front line / customer facing staff operate at normal levels.</p> <p>Contractors to be engaged as required without restriction.</p>	<p>Staff and Contractors –</p> <p>Front line / customer facing staff can operate at normal levels but with social distancing practices are adhered to which include staff not working within 1 meter of each other where-ever practicable. Wherever physical distancing is not possible staff must wear face masks. Additional guidelines apply to ‘guest facing’ staff below.</p> <p>Contractors to be engaged as required without restriction.</p> <p>Staff and contractors reminded that they should not report to work if feeling unwell.</p>	<p>Staff and Contractors –</p> <p>Essential staff for each business area communicated with and arrangements made to ensure their safety and wellbeing. Essential staff include front line staff, kitchen, front office and housekeeping. As best as possible, staff who are working in teams should be separated i.e. morning team versus evening team.</p> <p>Only essential contractor work is to be carried out.</p> <p>Commence coordination of non-essential staff working from home (ensure have appropriate IT access/tasks to support working from home). Non-essential staff at this level are Sales & Marketing and some Administration staff.</p> <p>Staff returning from overseas travel excluded from work on the basis of MOH advice.</p> <p>Unwell employees and contractors asked to stay home and to work from home if practicable to prevent spread and remain excluded until given medical clearance.</p>	<p>Staff and Contractors –</p> <p>Essential staffing levels only - Only absolutely business critical staff to attend work-places. Rostering to take into account no crossover between teams (morning vs evening).</p> <p>All other workers must work from home or be placed on special leave.</p> <p>Prepare for a long-term period of disruption - essential staff management/ work on a rotating roster.</p> <p>Restricted Domestic and International Travel conditions.</p> <p>Staff returning from overseas travel excluded from work (on sick/special leave) - period of exclusion as per guidance provided by MOH.</p> <p>Unwell staff excluded from work until given medical clearance.</p>
